**PETITION TO  
RESTART PERIOD  
FOR REPLY DUE TO  
LATE RECEIPT OF  
AN OFFICE ACTION  
MAILED DECEMBER  
13, 2001**

February 1, 2002

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

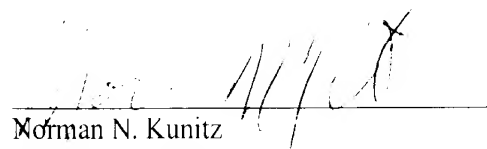

This is a Petition filed in accordance with M.P.E.P 710.06 to restart the period for reply to the Office Action mailed December 13, 2001, now set to expire on March 13, 2002, to expire on April 18, 2002, which is three months from the date of receipt of the Office Action due to delay in delivery by the U.S. Postal Service.

The Office Action dated December 13, 2001 in the above identified application was received by at the docketing department of Venable on January 18, 2002, as indicated by the date stamp on the attached first page of the Office Action in question. According to firm policy, the date stamp is placed on mail as soon as it is received on the date actually received. The delay in receipt of the Office Action was apparently due to

special treatment of the mail as evidenced by the yellow color and brittle nature of the paper of the Office Action and attached reference.

In view of the above, and since the date of receipt is more than one month after the mailing date of the three month period for response and since this petition is timely filed within two weeks of the date of receipt, both as required by M.P.E.P 710.06, it is submitted that all of the required conditions have been satisfied. Accordingly, the granting of this Petition and the restarting of the three month period for response from January 18, 2002, to expire on April 18, 2002, is requested.

Respectfully submitted,

Norman N. Kunitz
